Regional Program «ATTIKI»

The enterprise was funded under the Regional Programme "Attiki 2021–2027" Action entitled "Support for productive investments for adaptation, modernization and recovery". The Action aims to support investment plans of existing micro and small enterprises in sectors that constitute development priorities of the Attica Region within the framework of the National Smart Specialisation Strategy (S3). The objective of the Action is to improve competitiveness, strengthen business resilience and extroversion, and promote technological and organisational innovation.
